

Erasmus+ Session in English, 2020-2021

The course is open to all Erasmus+ incoming students at the Aristotle University of Thessaloniki

Course Title:	Displacement and Emplacement in Education
Guarantors and lecturers:	E. Kouimtzi & D. Zachos
Course Code:	CFES-2
Type of course:	Elective
Semester:	Spring
Number of credits:	10
Method of Assessment:	Active participation in seminars with projects, written essay (2500 words) and presentation
Language of Teaching & Assessment:	English
Place:	Contact Eleni Kouimtzi ekouimtzi@eled.auth.gr

Minimum participation requirements: 7 students

General objectives of the course

By the end of the course the students are expected to:

- a) Understand the conceptual framework of place and displacement, highlighting the existence of different types of displacement in dialogue with education.
- b) Engage the students into the discursive constructions of displacement in terms of causes and consequences.
- c) Reveal different ways of resisting displacement in education and to explore transformative ways for raising awareness and advocacy.

The course includes experiential & reflective activities

Assessment: Students' assessment tasks will include a) Their participation in the seminars with projects (30%); one written essay of 2500 words (60%); the presentation of the essay (10%).

Essay topics and directions will be provided by the lecturers.

Submission deadline: The essay should be submitted online in the course Moodle platform by May 25. The presentations will be held the last week or 2 weeks depending on the number of students.
